Gil Newfield "Celebration of Life" Service

We had a good showing of support for Gil and his family. Chaplain Charles Levy and Commandant McClymonds did an awesome job performing the Marine Corps League Order for Religious Funeral Services.

Past Chief Devil Dog Clif Williams gave a touching talk about when he and Gil started the Williamson County Marine Corps League Detachment 1022.

A Hero's Welcome

By Robert Longley

Time to come home dear brother
Your tour of duty through
You've given as much as anyone
Could be expected to do

Just a few steps further
The smoke will start to clear
Others here will guide you
You have no need of fear

You have not failed your brothers
You clearly gave it all
And through your selfless actions
Others will hear the call

So take your place of honor
Among those who have gone before
And know you will be remembered
For now and evermore

MATH FOR MARINES

Good of the League

Happy 245th Birthday

10 NOVEMBER 2020

Oorah!

Good of the League

The Marine Corps was formed
on 10 November 1775
by the Second Continental Congress,
with the first Marines enlisting under
Commandant Samuel Nicholas.
But it was not until 1921 that the Corps
began celebrating that historic day
officially as its birthday.

Marine Corps Heritage Foundation
www.marineheritage.org

Take part in the tradition on 10 November by reading Order 47 on the reverse side.

47

Good of the League

The traditional celebration includes a reading of Order 47:

MARINE CORPS ORDERS
No. 47 (Series 1921)
HEADQUARTERS U.S. MARINE CORPS
Washington, November 1, 1921

759. The following will be read to the command on the 10th of November, 1921, and hereafter on the 10th of November of every year. Should the order not be received by the 10th of November, 1921, it will be read upon receipt.

- (1) On November 10, 1775, a Corps of Marines was created by a resolution of Continental Congress. Since that date many thousand men have borne the name "Marine." In memory of them it is fitting that we who are Marines should commemorate the birthday of our Corps by calling to mind the glories of its long and illustrious history.
- (2) The record of our Corps is one which will bear comparison with that of the most famous military organizations in the world's history. During 90 of the 146 years of its existence the Marine Corps has been in action against the Nation's foes. From the Battle of Trenton to the Argonne, Marines have won foremost honors in war, and in the long eras of tranquility at home, generation after generation of Marines have grown gray in war in both hemispheres and in every corner of the seven seas, that our country and its citizens might enjoy peace and security.
- (3) In every battle and skirmish since the birth of our Corps, Marines have acquitted themselves with the greatest distinction, winning new honors on each occasion until the term "Marine" has come to signify all that is highest in military efficiency and soldierly virtue.
- (4) This high name of distinction and soldierly repute we who are Marines today have received from those who preceded us in the Corps. With it we have also received from them the eternal spirit which has animated our Corps from generation to generation and has been the distinguishing mark of the Marines in every age. So long as that spirit continues to flourish Marines will be found equal to every emergency in the future as they have been in the past, and the men of our Nation will regard us as worthy successors to the long line of illustrious men who have served as "Soldiers of the Sea" since the founding of the Corps.
