### ***Another goal has been, Recruiting***

**One of the Jr. Vice's jobs is recruiting. However, that is not enough if we are to continue to grow and move forward, it will take all of us recruiting.**

**Each of us need to carry Detachment cards and any time we encounter a Marine, give them one, tell them about us and invite them to a meeting. Get their name and phone number if you can and call them the night before our meeting. Just asking them when they were in, their MOS and maybe where they were stationed is not enough.**
